

## Chromolux alu S

A special label paper for non-returnable use, with a smooth, metallised surface with aluminium. Available in three embossings: lin, moiré and ligné and the colours silver and gold. It is also available with a primed surface suitable for UV-printing.

### FEATURES AND BENEFITS

- Superior look
- Metallised surface
- High bulk for outstanding embossing results
- Hassle-free labelling

### APPLICATION

- Wet-glue labels for non-returnable bottles
- Food and non-food container labels
- Face stock for self-adhesive labels
- Wrap-around labels

### PRINTING

- Offset, flexo, gravure
